

together...

we're crafting a story and want to thank you for the part you're playing. By entering this place you've entered a place of hope... a hope that if we, who love good kai, better relationships, healthy whanau, opened our doors to the street the world would get better because we're here.

Outrageously we're now a place where *whanau and food* mean more to us than marketing and money. A place where all of our profit goes into this *community*. Where engaging conversations, coffee with PURPOSE, food crafted with LOVE are a dimension of our MANAAKITANGA which will forever change this city we love.

This is a *good story*. THESE ARE HAPPY DAYS.

pass it on...

partner with us as we
serve those in need in this city. How about
buying a hot brew for those in need? We're all
about giving in humble and generous ways to
make our city a better place.

gift if...

we're often asked for gift cards
so you can show a bit of love to fam, friends
or favourites - so we've sorted it! Check with
the team and they'll custom build you a card.
